

## Press review 2008/2009

	 <p>Already interesting collection from the year 2005. The 2007 collection is very various, from hearty Grüner Veltliner, fine-fruity Spätlese to clear Icewine. The luscious 2006 Pinot noir from Eltville Sonnenberg gets a further plus point.</p> <p>2007 Grüner Veltliner dry (84 P.)          2007 Grüner Veltliner Eltviller Sonnenberg aged in Barrique (86 P.)          2007 Riesling dry, Eltviller Sonnenberg „<b>erstes Gewächs</b>“ (88P)          2007 Riesling „1467“ (85 P.)          2007 Riesling Spätlese (88 P.)          2007 Riesling Spätlese Eltviller Sonnenberg (88 P.)          2007 Riesling Eltviller Sonnenberg Beerenauslese (89 P.)          2007 Riesling Eltviller Sonnenberg Trockenbeerenauslese (90P.)          2007 Riesling Eltviller Taubenberg Icewine (90 P.)          2006 Pinot Noir dry „<b>Rubeus</b>“ (86 P.)          2006 Pinot Noir dry Eltviller Sonnenberg „<b>erstes Gewächs</b>“(88P.)</p>
	<p>★ ★ ★</p> <p>The 2005 collection shows a further increase. The white wines of 2006 present clear and well-structured. The 2004 red wines set new standards and the 2005 vintage can easily keep up with it. Also the 2007 white wines go further upwards. Not only the aromatic Grüner Veltliner is the most animating wine, but also the “1467” and the “erstes Gewächs” are pretty impressive.</p> <p>2007 Grüner Veltliner dry (85 P.)          2007 Riesling „<b>1467</b>“ (87 P.)          2007 Riesling Eltviller Sonnenberg dry „<b>erstes Gewächs</b>“ (89P.)          2005 Pinot Noir ”<b>Rubeus</b>” (88 P.)          2005 Pinot Noir Eltviller Sonnenberg dry „<b>erstes Gewächs</b>“(89P.)</p>
